VARIABLE BRUSH ROTATION SPEED DIAL

Variable Brush Rotation Speed in both directions. Employs ramp-up/down to reduce wear and tear and the additional safety feature for zero rotation on start-up.

EXTRA-WIDE TURF TIRES

Tread lightly! The industry's only extra-wide turf tires for minimum weight impact are standard equipment on Broce Turf editions!

PULL-OUT LOCKING DETENT

Brush reverse control with pull-out locking detent to prevent unintentional activation.

SEVERE-DUTY RADIATOR AND INTEGRATED HYDRAULIC OIL COOLER

The only 3-wheel sweeper with severe-duty radiator and integrated hydraulic oil cooler to stay cool at ambient field temperatures up to 140°F!

SPECIFICALLY DESIGNED TO MEET THE NEEDS OF SYNTHETIC TURF

Boasts a unique combination of essential features not found together on any other sweeper in the industry. All in one reliable, purpose-built package! Broce Broom, the leader in self-propelled sweepers for 50 years.
